WHY EDU FEST?

The Edu Fest is one of its kind events, where you can learn a lot about the vivid and diversified dimensions of your future education. You can also meet and greet with the representatives from more than 40 institutions.

Along with these, the event is blessed with a talkative section with Career Guru M.S. Jaleel & motivational speaker PMA Gafoor to nourish the skills and talent in each student.

OUR BUILDING BLOCKS

Apart from our core members our team is inclusive of talented and very inspired people. Faculties from various colleges are part of our team and they are actively involved in enhancing the ambience and also promoting the fest. We provide a platform to brighten your future.

HIGHLIGHTS.

40 stalls that include wide range of institutions. That have been decorated in such a way that there is an eventful experience for the audience and stall holders.

The talkative section of the fest will be lit up with interesting talks by Career Guru M.S. Jaleel & motivational speaker PMA Gafoor. The various stalls are set in a way that you don't have to roam to know about your desired courses and institutions, rather you can get it all at one place.

Workshops, talks and other live programmes by several influencers to inspire young minds.
